

Our Services:

Lifestyle Support & Independent Living Assistance

At Silverlink Care Agency, we specialise in empowering adults to live confidently, comfortably, and independently at home. We offer a comprehensive range of non-clinical, non-personal support services designed to enhance daily living, wellbeing, and social connection.

We proudly position ourselves as:

✓ **Independence Support Service**

Helping individuals maintain control over their routines, make their own choices, and enjoy a safe, supported life at home.

✓ **Home Help & Companionship Agency**

Providing warmth, conversation, practical assistance, and daily support to reduce loneliness, promote comfort, and enhance well-being.

✓ **Wellbeing & Community Support Service**

Encouraging active lifestyles through community engagement, escorted outings, appointments, and meaningful social activities.

Our support is flexible, person-centred, and designed to meet the everyday needs of individuals who do not require regulated personal care but still benefit greatly from a structured, reliable helping hand.

We provide Non-Regulated Services such as:

✓ **Companionship & Sitting Services**

✓ **Shopping & Errands**

✓ **Domestic Cleaning & Light Housework**

✓ **Meal Preparation (no feeding support)**

✓ **Medication prompting (NO administration, NO handling)**

✓ **Escorting to appointments**

✓ **Community access (walks, social visits)**

✓ **Safety & Welfare Checks**

✓ **Post-discharge assistance (non-clinical)**

✓ **Home organisation & decluttering**

✓ **Lifestyle support (admin help, reminders, routine support)**
